

Assoc. Prof. Leyla Zer, MD

General Surgeon

Medical Park Göztepe Hospital

Educational Status:

| | | |
|----------------------------------------|---------------------------------------------------------------------------|------------|
| High School | Mithatpaşa Girls High School, Samsun | 1980-1983 |
| University | School of Medicine, Ondokuz Mayıs University | 1983-1989 |
| Medical Specialty | Department of Anatomy, Cerrahpaşa School of Medicine, Istanbul University | 1992-1995 |
| Medical Specialty | Haydarpaşa Numune Training and Research Hospital General Surgery | 1995-2000 |
| Associate Professor of General Surgery | Haydarpaşa Numune Training and Research Hospital General Surgery | 19.06.2012 |

Doctorate Dissertation/Qualification Study/Title of Medical Specialty Dissertation (abstract is attached) and Advisor(s):

1. Effect of early preoperative use of 5-Fluoruracil on colonic anastomosis in rats, 2000

Thesis Advisor: Sırrı Özkan, M.D.

2. Relationship between hypoglossal nerve and occipital artery, 1995

Thesis Advisor: Prof. Rezzan Gürün, M.D.

Positions:

| Position Title | Place of Duty | Year |
|---------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|----------------|
| Practitioner | Emergency Room, Okmeydanı SSK Hospital | 1989-1992 |
| Medical Specialty | Department of Anatomy, School of Medicine, Istanbul University Medical specialty in anatomy | 1992-1995 |
| Medical Specialty | Haydarpaşa Numune Training and Research Hospital General Surgery Clinics, medical specialty in general surgery | 1995-2000 |
| Faculty Member in Anatomy and Lecturer in Surgery | School of Medicine, Kadir Has University | 2000-2002 |
| General Surgeon | Yalova State Hospital | 2002-2006 |
| General Surgeon | Sultanbeyli State Hospital | 2006- 2008 |
| General Surgeon | Haydarpaşa Numune Training and Research Hospital | 2008 – to date |
| Senology training | Düsseldorf, 1st International Course of the European Academy of Senology. | 2014 |
| Observer | Vivantes Hospital, Breast Clinic, Berlin | 2014 |
| Observer | European Institute of Oncology, Breast Clinic, Milano | 2015 |

Post-graduate thesis supervised:

Doctorate thesis / Proficiency in Art studies supervised:

- 1- Ersöz E “Effect of magnetic resonance imaging of breast – an advanced imaging modality – on staging and decision of breast conserving surgery in patients with breast cancer”, Haydarpaşa Numune Training and Research Hospital, 2011.

2- Demir T “Malignancy screen in renal transplant patients who have been receiving immunosuppressive therapy for minimum five years” Haydarpaşa Numune Training and Research Hospital, 2015.

Duties undertaken in Projects:

Administrative Duties

Member of Supply Committee, Haydarpaşa Numune Training and Research Hospital

Head of Service Quality, Haydarpaşa Numune Training and Research Hospital

Scientific Organization Memberships:

Istanbul Chamber of Medicine

Turkish Surgical Association

Turkish Society of Senology

Member in European Academy of Senology

Member in Breast Competence Club

Awards:

1. Risk factors in early post-transplant renal osteopathy and effect of Vitamin D receptor gene polymorphism on bone mineral density (2010). Special Award by Eskişehir Organ Transplant Fund

Ozel L, Ata P, Ozel MS, Toros AB, Kara M, Unal E, Canbakan M, Erdogru G, Aktas GE, Titiz MI,

Other Success Certificates:

Surgical Competence Exam:

Turkish Surgical Competence Certificate, 14.02.2002

Publications:
